

## Jewels of Jaipur square crochet pattern - English

This crochet pattern is a raw version of what it will become. I wrote it down as an untested and unfinished piece as it is still in progress. I will update the pattern later on with charts, photos and a full blanket size. For now, this is just the square used for this pattern - as a promotion for the new yarns from Yarnsmiths. A fun square for the advanced crocheters among us.

**Suggested yarns:** For the square shown I used the balls of yarn from Yarnsmith which I received as a gift to try them. One ball exists out of 100 grams with a length of 290 meters. The yarn consists out of 100 % sustainable acrylic. From each color mentioned you will need approx. 10-15 grams.

**Color A:** 3020 Light Grey Heather

**Color B:** 3230 Teal or 3210 Christmas Green

**Color C:** 3320 Deep Purple

**Color D:** 3310 Navy Blue

**Color E:** 3010 Dark Grey Heather

### **Crochet hook needed:**

In this pattern, you will use a 4,0mm hook.

**Size:** One square will have a size of approx. 30 x 30 cm. This is with a crochet hook size 4.0mm and the suggested yarns.
